MILEI GmbH exhibited at Fi Europe 2024

MILEI GmbH, a Morinaga Milk Industry Group company, participated in Food ingredients Europe (Fi Europe), an exhibition held in Frankfurt, Germany, from November 19 to 21.

With a history of more than 35 years, Fi Europe is one of Europe's leading food ingredients trade fairs, where unique ingredients and services are introduced every year, attracting many participants, mainly from the food and beverage industry. Currently, the event is held alternately in Frankfurt, Germany and Paris, France.

MILEI had booth at the annual event in Germany, to strengthen communication with existing customers and to attract new customers.

MILEI employees mainly from sales, customer service, R&D, and marketing participated in the event and had fruitful discussions with customers.

We prepared popcorn as a tasting item to introduce our functional ingredients, lactoferrin and LAC-Shield.

We would like to express our sincere gratitude to all those who visited our booth and showed interest in our products. We look forward to seeing you again at the next Fi Europe event. Thank you for your continued support and interest in MILEI GmbH.
